FLOOR DEBATE

April 18, 2002 LB 1086

responsible for what I did. Who in here is going to tell the media you were not responsible for what you did? Who in here is going to tell the media you didn't know what was in the bill? And if you say you knew what was in it, which of you is going to say, you saw a clever way to override through a bill what the Legislature refused to override in its vote.
